POLICY

Title: Title Without Evidence of Ownership

Effective Date: December 17, 1990

Revision Date: March 25, 2015

Authority: Code of Virginia: §§ 46.2-632, 46.2-633, 46.2-633.2, 46.2-1603, 46.2-653.1

Policy:

Applicants for title and/or registration must submit a certificate of title when applying to title a motor vehicle, autocycle, moped, motorcycle, trailer, semitrailer, or manufactured home.

Applicants unable to present a certificate of title at time of application may apply for a title by submitting for DMV review an affidavit and evidence to support the rights of ownership in the following situations:

- Vehicles, trailers, semitrailers, manufactured homes, mopeds, or all-terrain vehicles (ATV) for which the title is lost with no record in the system, stolen, held unlawfully by another person or business (other than the dealership from whom purchased), or whenever the certificate of title is otherwise not available,
- Vehicles registered in another state or jurisdiction where titles are not issued for the model and/or year of the vehicle,
- Vehicles acquired by insurance companies through the claims process applying for a title, salvage certificate or non-repairable certificate,

Insurance companies are charged a fee of $25 in addition to other required fees and taxes when titling vehicles through the affidavit in lieu of title process.

Exception:

- Customers are not eligible to apply for a title using the Affidavit in Lieu of Title Certificate (VSA 12) under the following conditions:
  - Certificate of title is being held by the lienholder, or
  - Certificate of title is being held by another state or jurisdiction.
  - Certificate of title for manufactured home was canceled in the system due to conversion to real property (real estate) (refer to VLIC-3.440).

The VSA 12 does not have to be notarized if an investigation was performed by a Law Enforcement (LE) agent and the DMV Law Enforcement Verification section of the form is completed. END REVISION

OVERVIEW

Applicant is responsible to:

Provide documentation supporting vehicle ownership when the certificate of title for a vehicle is unavailable due to:

1. Titles not being issued for the vehicle type in the state where registered; or title is lost, held by another unlawfully, or otherwise unavailable at time of titling; or dealership goes out of business before titling vehicle in customer’s name;

   NOTE: See exception for Law Enforcement (LE) investigation below.
   - Paid personal property tax receipts showing the vehicle owner’s name,
   - Bill of sale showing the applicant as purchaser,
   - Contract that documents the purchase of the vehicle and indicates the vehicle is paid in full,
   - Foreign documentation of vehicle ownership,
   - Any other document that will provide a valid trail of ownership,
   - Pay appropriate fee(s).

2. Insurance companies unable to submit title for vehicles acquired through the claims process:
   - Documentation supporting the vehicle insurance claim,
   - Description of steps taken to obtain vehicle title,
   - Information concerning the circumstances surrounding the situation,
   - Any other documents relevant to the situation,
Pay appropriate fee(s).

DMV is responsible to:
1. Accept applications for titling vehicles when evidence of ownership is not available,
2. Verify submission of relevant evidence,
3. Determine acceptability of evidence,
4. Process a certificate of title in the applicant’s name and hand it to the customer over the counter, or mail it to the lienholder or owner’s address of record,
   OR
5. Advise the customer their application is not approved and provide any additional requirements.

**EXCEPTION:** Further evidence supporting rights of ownership is not required if an investigation to determine the customer’s rights of ownership was completed by DMV’s Law Enforcement (LE), provided the LE agent completes the DMV Law Enforcement Verification section of the VSA 12 and meets the customer at the CSC for titling or makes arrangements with CSC management for issuance of the title.

CUSTOMER REQUIREMENTS

1. For customers with a vehicle, trailer, semitrailer, or manufactured home registered in another jurisdiction who claim titles were not issued in the state in which registered for that model year, or

For customers unable to submit a title for a vehicle, trailer, semitrailer, or manufactured home due to its being lost with no record in the system, stolen, or held unlawfully by another person or business (other than the dealership from whom purchased), or whenever the certificate of title is otherwise not available:

EXCEPTION: If a Law Enforcement (LE) investigation was performed to determine the customer’s rights of ownership, go to #2.

a. Submit the following:
   • A registration card (when applicable) that is unexpired, or expired for less than one year,
   • A completed Application for Certificate of Title and Registration, VSA 17A, or Application for Certificate of Title-Manufactured Home, VSA-17B.
   • A completed, signed and notarized Application in Lieu of Title Certificate, VSA 12.
     o Reasons why the vehicle’s title is not available,
     o Description of efforts made to obtain a certificate of title from the previous owner (when applicable),
     o Other evidence of ownership to provide a valid trail of ownership,
     o Any other information relevant to the situation.
   • Proof of address, when applicable (refer to VLIC-3.530).
   • Completed and signed price certification form identifying the vehicle by VIN, make and year, and date of sale, as follows:
     o Vehicle Price Certification (SUT 1) to certify the price of vehicles more than 5 years old, or
     o Affidavit of Vehicle Purchase Price (SUT 1A) to certify the price of vehicles 5 years old or less (the SUT 1A must be notarized).
   • A combination of other supporting documents that serve as evidence of ownership. Examples of documents can include, but are not limited to, the following:
     o Paid personal property tax receipts showing the vehicle owner’s name,
     o Bill of sale showing the applicant as purchaser,
     o A contract that documents the purchase of the vehicle and indicates the vehicle is paid in full,
     o Foreign documentation of vehicle ownership,
     o Any other document that will provide a valid trail of ownership,
   • Appropriate fees.

IMPORTANT: Manufactured home titles that have been canceled in the system because the manufactured home was converted to real property (real estate) cannot be replaced using the affidavit in lieu of title process provided in this procedure. Customers must apply to convert the manufactured home back to personal property through the Titling Work Center at Headquarters (HQ) ONLY before a title may be issued (refer to VLIC-3.440 and the Manufactured Home Conversion publication (DMV 275)).

2. For customers unable to submit a title for a vehicle who indicate an investigation was performed, request assistance from your CSC manager/designee.

a. Customers must submit the following:
   • A completed Application for Certificate of Title and Registration, VSA 17A, or Application for Certificate of Title-Manufactured Home, VSA-17B.
   • Proof of address (refer to VLIC-3.530).

   NO ME: The LE agent will meet the customer at the CSC of choice for titling and deliver the completed and signed VSA 12, or deliver the VSA 12 directly to CSC management/designee ahead of time and make arrangements for the issuance of the title.

b. Appropriate fees.

3. For customers with vehicles purchased from a dealership that went out of business prior to titling the vehicle in the purchaser’s name, process at the CSC or by the Titling Work Center at Headquarters following the Out of Business Dealer procedure (VLIC-3.420).

4. For insurance companies with vehicles acquired through the claims process who are unable to submit titles and are applying for a title, salvage certificate or non-repairable certificate, submit the following to the Vehicle Branding Work Center at DMV Headquarters:

a. For non-salvage vehicles submit a completed VSA 17A or VSA-17B
   OR

b. For salvage vehicles, submit a completed Salvage Certificate Application, (VSA 56),
   OR
CUSTOMER REQUIREMENTS  Continued

   c. For nonrepairable vehicles, submit a completed Application for Non-Repairable Certificate (VSA 57), AND
   d. For vehicles with nonnegotiable titles issued due to out-of-state nonrepairable equivalent brands (refer to VLIC-3.347), submit a completed Application for Non-Repairable Certificate (VSA 57).
   e. A completed, signed and notarized VSA 12 indicating the following:
      - Whether the vehicle is a salvage or non-salvage vehicle,
      - The vehicle was acquired as a result of the claims process,
      - Description of efforts made to obtain a certificate of title from the previous owner.
      - Other information relevant to the situation.
   f. Appropriate fees

5. For customers unable to submit a title for a moped or ATV due to its being lost with no record in the system, stolen, or held unlawfully by another person or business (other than the dealership from whom purchased), or whenever the certificate of title is otherwise not available, submit the following:
   a. A completed, signed and notarized VSA 12M indicating the following:
      - Reasons why the vehicle’s title is not available,
      - Description of efforts made to obtain a certificate of title from the previous owner,
      - Other information relevant to the situation.
   b. A completed and signed VSA 17A,
   c. A completed and signed Moped Certification (VSA 31) MUST BE submitted with the title application for all moped title transactions,
      NOTE: If the customer is not sure if the vehicle meets the definition of a moped (or another vehicle type, such as a motorcycle), the CSR will use the Vehicle Type Reference Guide (DMV 275) to assist the customer in making the determination. However, it is the customer’s responsibility to determine and certify the vehicle type.
   d. Proof of address, if applicable (refer to VLIC-3.530),
   e. Available original documents evidencing ownership and other supporting affidavits (bill of sale, registration, personal property tax receipt, etc.),
   f. Other documentation as evidence of the applicant’s rights of ownership.
   g. Appropriate fee(s).

6. For designated beneficiaries unable to submit a title to transfer a vehicle into their name upon the death of the owner due to its being lost, stolen, held unlawfully by another person, or otherwise unavailable, accept the appropriate title application and VSA 12 and process the title transfer at a CSC or Titling Work Center following the guidelines in VLIC-3.506.

FRONT COUNTER CSR

1. For customers with no title, who are submitting a registration card as proof of vehicle, trailer, or semitrailer ownership, or who claim titles were not issued for that model year vehicle/trailer in the state in which registered, process as follows:
   EXCEPTION: If a Law Enforcement (LE) investigation was performed to determine the customer’s rights of ownership, go to #2.
   a. Verify that the submitted registration card is unexpired, or expired for less than one year,
      • If registration card is expired for one year or more, return all documents to the customer and advise they must submit valid (or expired less than one year) registration card, title, or other valid proof of ownership.
   b. Confirm in the National Automobile Dealers Association (NADA) Guidebook that titles were not issued for the model year of the vehicle (or trailer) in the state of registration,
   c. Verify required documents are submitted and completed.
      • Affidavit in Lieu of Title Certificate (VSA 12) with the following:
         o Reasons why the vehicle’s title is not available,
         o For insurance companies, indicate if the vehicle is salvage or non-salvage,
         o For insurance companies, indicate that the vehicle was acquired as a result of the claims process,
         o Description of efforts made to obtain a certificate of title from the previous owner,
         o Other information relevant to the situation.
